4 The draft of the Bill contained a savings clause in Sec 18 which ran thus "No expenditure shall be incurred unless provided for in a budget so sanctioned &c" also the budget so sanctioned may, subject to the sanction of Govt, be varied or altered from time to time as circumstances may render desirable, at a special meeting of the Council called for the purpose" But the Select Committee appointed to consider the Bill omitted the above clauses considering them unnecessary

10 5 The powers of the Univ^y Council under Sec^s 10 & 17 of the Regn seem wide enough to include the powers for creating new appts in furtherance of the provisions of the Regn & the Ordinances

In view of the provisions contained in sections 10 and 17 of the Mysore Regn and also of the absence of any order of Government stating that, under the powers reserved by them the creation of particular appointments requires their sanction, the authority of Government for the creation of the posts three temporary peons for the Maharajah's College does not seem necessary In this connection I beg to invite reference to para 4 of my letter No 2625/477 dated 28th September 1916 The new procedure to be followed under the Regulation and the first ordinances in regard to accounts and payments of the University is not yet settled and the old procedure is still being followed The enquiry made by this office about the sanction to appointment of the three peons under reference was under the old procedure
